Most Scandinavian cuisine relies on fresh, natural ingredients that can be found in the wild or that come fresh from the sea. On your trip to Denmark, Norway, Sweden, Iceland, or Finland, make sure to try at least one of these great Scandinavian dishes. You won't regret it, that's for sure.

For instance, the Vikings' meals almost always included oysters or mussels and occasionally featured mutton, cheese, cabbage, apples, onions, berries, and nuts—all of which can be found in many local dishes today.
