### **African perspectives on social justice**

3 african perspectives on social justice 1 This brought together 20 academics and civil society activists from the region, at the invitation of the Friedrich Ebert Stiftung in Kampala.

### **Global social justice as a new focus for development ...**

It is easy to see how a focus on 'global social justice' could provide a framework to think interesting and possibly dangerous thoughts about how to take the international development agenda beyond the relatively instrumental approach of the MDGs.

### **Social justice**

Social justice is a concept of fair and just relations between the individual and society. This is measured by the explicit and tacit terms for the distribution of wealth, opportunities for personal activity, and social privileges.
