Hayward, California

History Early history. Human habitation of the greater East Bay, including Hayward, dates from at least 4000 BC. The most recent pre European inhabitants of the Hayward area were the Native American Ohlone people.

Images of America Series arcadiapublishing

Images of America When most people think of American history, they picture the way events and changing social values affected the country on a national level. However, while more general study of our history as a

nation is important, it's essential not to underestimate the value of regional history.

Arcadia Publishing | Local and Regional History Books

Travel Back in Time with Our Images of America Series Step right on to Main Street at any point in history, and be immersed in the wonder and unique flavor of life in your town, or any town in America.

California

Russia's early 19th century coastal settlements in California were positioned just north of the northernmost edge of the area of Spanish settlement in San Francisco Bay, and were the southernmost Russian settlements in North America.
