living below his or her potential? Are you tired of hearing excuses? You'll learn how to find and encourage each child's learning strengths and help your children take responsibility ...

When an accident happens do you call the parents first or ...

Definitely call 911 first. Then contact the parents and let them know. As others have mentioned it is up to the paramedics if you can ride in the ambulance. When my husband (fiance at the time) were in a car accident the paramedic that took my husband in for a possible concussion was very rude to me
