**How to Find Ginseng? First look for the right habitat ...**

If you want to know how to find ginseng, first learn to find proper habitat. Increase your odds. Check the USDA map to see if ginseng grows, or has ever grown, in the area of interest. For example, if you live in Arizona, it is highly unlikely that you will ever successfully grow this plant. If you want to try, then you'll have to recreate the kind of habitat that supports it.
