GriefINK: Tattoo as the Language of Grief — Susan Salluce

Their tattoos were a language of grief. Late night thoughts swirled with research, and I scoured the Internet for articles on grief, bereavement, and tattoos. There was some, but not volumes, to be sure.

The Limited Language of Grief What's Your Grief

When you write and talk about grief as much as we do at What's Your Grief, you become acutely aware of the ways in which language sometimes fails. There is nothing more frustrating than struggling to find the words to capture an emotion or an experience, especially those that are felt with the intensity of grief. The reality, of course, is that language will never truly be able to capture the depths of our pain or the complexity of our experience.
