Landscape design : a cultural and architectural history ...

From ancient Egyptian royal cemeteries to great 18th century English estates and the earth works of today, this volume spans the history of landscape design, revealing a great deal about the development of societies, and how cities, parks and gardens embody cultural values.

Landscape Design: A Cultural and Architectural History ...

This book follows landscape and cultural architecture through history and makes me wonder why all schools from elementary on up don't attack history lessons from such a practical and fascinating point of view.
