How to Make Peach Cobbler From Scratch | Taste of Home

The cobbler is a delicious treat that melds together sliced fruit, sugar and a beautiful golden topping. If you love dessert but don't love the floury mess or mathematical challenge of rolling out perfectly concentric pie crusts, then this tutorial on how to make peach cobbler will be your jam.

Cobbler Recipes Allrecipes

For this delicious, simple pie, all you 'll need is a 9x9 inch pan, melted butter, a yummy batter and some sliced, fresh fruit. The batter goes in the pan, the fruit is poured on top of the batter, and the cobbler is baked in the oven for an hour.
