## **5 Practice Tests for the SAT II Biology (SparkNotes Test Prep)**

They are the closest to the actual test (but slightly easier). The problem with the last three tests is the presence of bad questions, where the answer choices don't make any sense, or the book gives you the wrong answer in their answer chart. I would recommend buying this book just because the practice tests are close to the actual test.

## **SparkNotes: Review of Cell Respiration: Review Test**

### **Why did SparkNotes remove SAT Subject Tests practice tests ...**

I can't speak directly to the quality of Spark Notes materials but whenever one is looking for study materials for any test, always go first to the group that created the test, in this case College Board. I only use College Board's materials when ...
