: Customer reviews: The Talent Review Meeting ...

This book is well worth the investment. Perfectly written for my needs. I'm a seasoned professional and this guide made sure that I had everything covered for my talent reviews. It did not get into too much detail and assumed, correctly, that I had experiences that I could build on. The content was succinct covering each topic in a page or two. This is a title that should be in every HR OD professional's library.
